

CALL FOR PAPERS

6th HOSPITALITY FINANCE & ECONOMICS CONFERENCE

Ecole hôtelière de Lausanne

June 27th & 28th, 2022

EHL Lausanne Campus, Switzerland

OVERVIEW

The Ecole hôtelière de Lausanne (EHL), Switzerland, invites you to submit papers to be considered for presentation at its 6th Hospitality Finance & Economics Conference. We welcome submissions from all areas related to finance and real estate. Papers with a hospitality-focus are encouraged but not mandatory. This selective, high quality conference will ensure an informal atmosphere conducive to open and lively discussions and offer a platform for academics and practitioners alike. Presenters of accepted papers should agree to act as discussants and ample time will be provided for paper sessions.

Recent HFE conference details are [available here on our website](#).

VENUE

The conference will be held at EHL Campus Lausanne, Switzerland. The school offers world-class teaching and research facilities. The city of Lausanne boasts a perfect location in the center of Europe, surrounded by vineyards, picturesque historic towns and castles, scenic Lake Geneva, as well as offering a number of renowned restaurants and hotels. Attendees are advised to book hotel rooms at their convenience. The school is 70 kilometers from Geneva International Airport, 200 kilometers from Zurich International Airport and 9 kilometers from Lausanne Train Station. Both the airports have frequent and convenient train connections to Lausanne.

KEYNOTE SPEAKERS & PANEL DISCUSSION

We are very honoured to welcome two leading researchers who will deliver keynote lectures during the conference.

Dr. Sing Tien Foo
National University of Singapore
Singapore

Dr. Christophe Pérignon
HEC Paris
France

This will be complemented by a panel discussion by industry thought leaders and academics on the nexus of real estate and the hospitality industry.

TOPICS FOR PAPER SUBMISSION

Empirical / experimental papers – and well-developed case studies are welcome. We ask you not to submit a paper that has been accepted for publication in a journal. We particularly encourage submissions by PhD students in advanced stages of their studies.

The conference wants to put an emphasis – but is not limited to – the following topics in the real estate or finance fields. The submitted papers may – but do not need to - display hospitality relevance:

- Investments
- Sentiments
- Big data & machine learning
- Corporate governance
- Valuation
- Demand modelling and forecasting
- Spatial econometrics
- Sustainability
- Behavioral finance
- Market, investor or consumer sentiments
- Economics of social media, customer reviews and ratings
- Other quantitative research in hospitality
