

# Essentials for Hospitality & Business Studies

Designed for aspiring students seeking admission to business or hospitality bachelor programs, this course serves as a bridge semester, addressing gaps in English or Mathematics, as well as other fundamental skills. The curriculum covers essential pre-requisites for a confident and successful start at university. While specifically aligned with EHL's admission criteria, this course is equally suitable for accessing bachelor's programs in other Business or Hospitality Management Schools with similar selective admission standards.

11 Weeks

Two tracks: Math or English

Starts in September

Taught in English

EHL Campus Lausanne, Switzerland

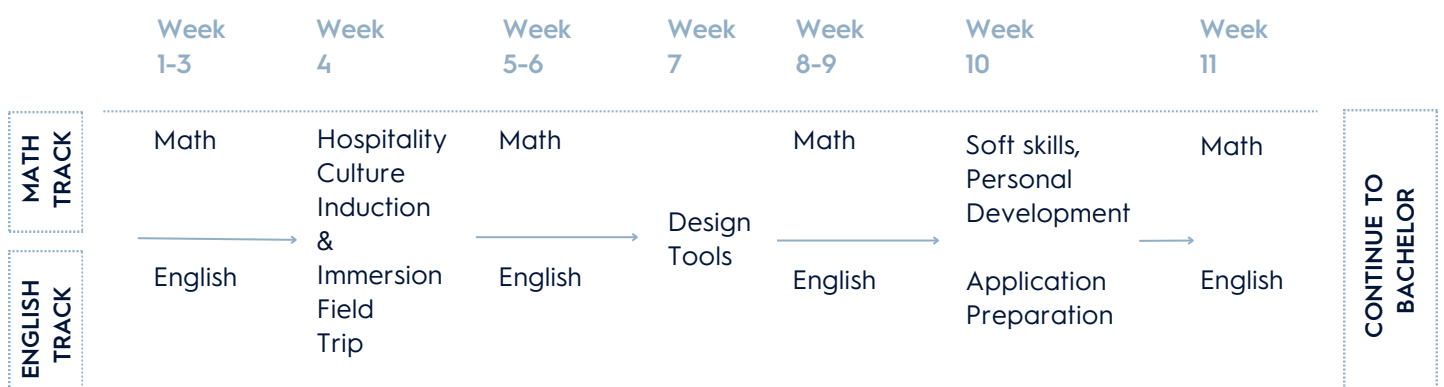

One-to-one coaching sessions

Soft skills development

## Course overview

Both tracks include one-to-one coaching sessions with a Learning Manager

# You will learn to:

**Master admissions interviews and assessments** for Hospitality Management and Business programs.

**Confidently engage in English** during classes and group learning activities.

ENGLISH TRACK ONLY

**Develop foundational knowledge** in mathematics and analytical quantitative tools.

MATH TRACK ONLY

**Efficiently use Excel and presentation tools** for data analysis and visualization.
