The financial agreement between EHL and the Haute Ecole Spécialisée de Suisse occidentale (HES-SO) states that the HES-SO will cover part of the tuition fees of eligible students. According to this agreement, academic tuition invoiced to these students is limited to CHF 1'000 per academic year, the remainder being paid by the HES-SO. This measure is effective from the first year of the Bachelor program. It does not apply to the Preparatory Year, which is not covered by this agreement.

Eligibility for a subsidy:

Aside from Swiss students whose parents live in Switzerland, other students may be eligible for an A-HES subsidy should they meet one of the below conditions at time of immatriculation:

- Students with Swiss nationality who live abroad or whose parents live abroad
- Refugees and stateless persons of age assigned to a canton in Switzerland
- Foreign students of age whose civil residence is located in Switzerland (excluding B permit for education purposes)
- Foreign students who have lived permanently for at least two years in the same canton in Switzerland, where they have had a full-time paid employment giving them financial independence without undertaking a training course at the same time
- Foreign students whose parents' or legal guardians' civil residence is located in Switzerland
- Foreign students whose parents live abroad and who have at least one parent working in the canton of Geneva and holding a G permit

The questionnaire determining the granting of an A-HES subsidy will be sent to students one month before the start of the academic year BOSC. Only the HES-SO has the authority to determine a student's status. Should a student abandon his or her studies or changes A-HES status for any other reason before 15 October or 15 April, depending on the half-year in progress, the HES-SO will stop contributing to tuition fees. In this case the tuition and fees for international students must be paid.
