Language excellence

Elevate your command of the English language. Our +100 hours of engaging classes and practical exercises prepare you for the recognized English tests and for academic success on the global stage.

Make new connections

Connect and create lasting bonds with peers from around the world in the scenic heart of Switzerland. Share thrilling outdoor adventures and cultural experiences, building an international network in the process.

Prepare for academic success

Experience life as an EHL student and get a head start on your international academic journey. With expert guidance and a focus on English mastery, you'll be well-prepared to excel in your applications to EHL or other top-tier global institutions.

Who is this for?

The EHL English Summer Camp is perfect for ambitious teens (17-19) from around the world, aiming to master English for academic success, particularly those targeting the EHL Bachelor program or other global education opportunities.

This camp combines intensive English learning with cultural immersion and diverse activities in the stunning Swiss setting, fostering language proficiency, cultural understanding, and personal growth, paving the way for your future academic and career paths.

Program highlights

Explore Switzerland

Switzerland is a small enough country that you can visit some of its most famous sites on a one or two-days excursion!

Fuel your curiosity

Dive into an array of fun sports, cultural events, and recreational activities! It's not just play—each activity is a step towards enhancing your teamwork, leadership, and essential life skills.

Experience state-of-the-art facilities

Step into EHL's world-class facilities, where every corner is designed for your growth. Experience a learning environment that perfectly blends academic excellence with personal development, all in a setting that inspires and motivates.
