Welcome to EHL!

Dear students,

First of all, let me congratulate you on your acceptance to EHL!

As the impacts of COVID continue to leave an indelible mark on the world, we have been continuously revising and adapting the measures in place at EHL to ensure full respect of all government directives as well as additional EHL measures to protect our community.

Our first priority is the health of everyone who studies, works or lives on our Campuses.

As such, certain aspects of your arrival to EHL, and the life on campus have had to be remodeled, ensure appropriate distance and sanitary requirements. You will find in the first few pages the special measures in place at EHL and we ask that you familiarize yourself with these in advance.

While the life on campus will undoubtedly be very different, rest assured that the experience will remain true to the EHL spirit. Thanks to the dedication of students, faculty and staff, as well as our continued commitment to innovation, EHL Group is proud to lead the way for a new standard of education with some extraordinary outcomes!

We look forward to welcoming you to the EHL family!

COVID Information

Your Arrival at EHL

Under the current circumstances, we are taking every precaution to limit the risks for our students. As such, special measures have been decided for the upcoming Introweek:

- In order to maintain appropriate distancing measures on site, exceptionally, only students will be admitted on campus for the first day of Introweek. Parents and loved ones will be able to participate in this special day remotely and more details will be shared in due course.
- All eventual quarantines must have been completed prior to the start of Introweek.
  - Students arriving from abroad must verify if they are required to self-quarantine according to the instructions of the Swiss Federal authorities. More information is available here.
  - Evidence of your quarantine will be required upon arrival at EHL Campus.
  - Preferential rates are available at hotels in the region. Check out the list here.
- A health check will be performed for all persons entering the campus and you will be provided with a Health kit including the mandatory mask to be worn on campus.

COVID Measures in Switzerland

The Swiss government and health authorities have been regularly updating the measures and restrictions in place in Switzerland according to the evolving situation.

These can include mandatory face masks in certain areas, maximum amount of people per area, isolation and quarantine instructions, among others.
Campus Handbook

The measures elaborated in the Adapted Environment & Behavior Handbook reflect our shared responsibility to protect ourselves and others, and contribute to slowing the spread of this disease. These new regulations must be followed at all times on Campus. In addition, the basic hygiene and distancing precautions should be maintained on or off Campus.

Access the Adapted Environment & Behavior Handbook on MyEHL.

FAQs and Updates

We know that this unusual situation may raise a lot of questions for you and your family. We have listed some frequently asked questions on the EHL website and more details are available for students on a dedicated section of MyEHL that we invite you to review.

The Countdown to EHL

Congratulations! You have been selected to become a part of the EHL family and we are looking forward to welcoming you on campus. Now, you have some important tasks to accomplish before you arrive.

Here is the outline of processes that are going to happen now that you have been accepted and the things you must do to prepare for your arrival on campus.

Steps

1. Acceptance

**KEY RESOURCES**
- Acceptance Email & Welcome video
- Your EHL email address

**YOUR TASKS**
- Confirm your acceptance
- Fulfil the conditions of your offer
- Plan your Gap

2. Enrollment

**KEY RESOURCES**
- Enrollment Management Module (online platform)
- New Student Facebook Group

**YOUR TASKS**
- Apply for Visa
- Find a Roommate
- Pay fees
- Complete all Enrollment steps

3. Preparations

**KEY RESOURCES**
- EHL Arrival Newsletter
- MyEHL portal
- Service Centre Contact

**YOUR TASKS**

- Plan your trip to EHL

4. Arrival

**KEY RESOURCES**
- Intro Week
- Service Providers
- Campus Guide

**YOUR TASKS**
- Arrive
- Intro Week Schedule
- Swiss Registration & Permits
Finalize Your Acceptance

You have been accepted to EHL, but your place is not reserved until you have completed these three steps:

Activate Your Account
In the Admissions acceptance email, you received a link with instructions to activate your account online. Please do so within 15 days of receiving your acceptance email.

Make Your Payment
In order to secure your place in the program, you will need to make a down payment on your tuition fees.

Fulfil the Conditions of Your Offer (If Applicable)
If you received specific instructions about the conditions of your acceptance, whether it be for academic results or more work experience, then make sure you send proof of the above in a timely manner.
Plan Your Gap

How many days are left till you start EHL? Whether it’s 90 or 200, the days will go by very quickly. Make the best of this gap by filling it with useful activities that will help prepare you for your studies.

Improve a Language

Speaking several languages gives you more opportunities for your internships and career. Learn a new language or improve one you already know with a program by Education First where EHL candidates get a 10% discount.

→ Learn More

Try EHL for a Week or Two

Come for a week or two of introductory courses at the Junior Academy to experience life and learning at EHL before you dive into your degree. → Learn More

TIPS FROM STUDENTS

You only have 6 months on campus before internship so:

- Work on your CV before you start at EHL
- Do some research about hospitality departments, jobs and companies before you arrive, so you can search for an internship that suits your expectations

Get More Experience

Having more full-time work experience on your CV makes you a better candidate for management roles, so use this time to buff up your CV and acquire experience in an area of hospitality that you want to explore for your career.

Did you know?

84% of EHL students speak at least three languages.

The visa process can take up to three months, so you should apply for your visa as soon as possible.

**Applying for a Visa**

**Do you need a visa to study at EHL?**

Are you a Swiss citizen, a current resident of Switzerland with a valid residential permit, or a citizen of a country in the European Union (EU) or from a European Free Trade Association (EFTA) member state?

Yes → You don’t need a visa.

No → You must apply for a student visa to enter Switzerland.

**When to apply**

The visa process can take up to three months, so you should apply for your visa as soon as possible.

**How to apply**

Go to the federal Swiss website [www.eda.ch](http://www.eda.ch) to find all information about visas.

**Questions?**

If you have any questions regarding the visa process, contact the Service Centre.

**Important Note:** Students who enter Switzerland with a visa will have to apply for a residence permit and the Service Centre Team will assist them to collect and bring all required documents, starting from their first day on campus. (See more on MyEHL)

The visa is valid 3 months only. If you plan to leave Switzerland, please make sure that your visa is still valid as the process to obtain the residence permit takes 8 to 10 weeks.
Complete Your Enrollment

Before your arrival, you will need to complete several administrative tasks, which are mostly done through EHL’s online portals.

Your EHL Email Address

An EHL university email account will be created for you as follows: firstname.lastname@ehl.ch

EHL staff will use this email to communicate with you, so don’t forget to check this email address regularly, starting from the time you activate your account.

If you forget your password or cannot login, our virtual assistant Amelia can help you.

Enrollment Management Module (EMM)

Approximately four months before your program starts, you will receive an email inviting you to click on a link to enter the Enrollment Management Module (EMM), it’s like the online application. Make sure you use this portal to complete the steps that are required such as:

- Pay your down payment
- Start your visa process
- Send medical documents
- Declare special needs
- Send measurements for uniforms
- Reserve your room or parking
- Prepare your laptop

→ Pay your down payment
→ Start your visa process
→ Send medical documents
→ Declare special needs
→ Send measurements for uniforms
→ Reserve your room or parking
→ Prepare your laptop
MyEHL
Your Student Portal

This is your portal for non-academic topics where you will find everything you need to know before you arrive: my.ehl.edu

→ New Student hub (a virtual guidebook)
→ News & Events
→ Health & Wellbeing
→ And much more...

Before your arrival, please check the posts there to make sure you are well informed.

When you arrive on campus, you will receive access to the Learning Management Portal and EHLISA, which are the academic student portals.
Enrollment FAQs

Do I need Health Insurance?

If your fiscal residence is outside Switzerland (or parents’ fiscal residence is outside Switzerland) at the start of your studies at EHL, then you will be automatically enrolled in EHL’s health and accident insurance plan. It is possible to be exempted from this insurance coverage by providing proof of adequate coverage to the Swiss authorities. To learn more, contact EHL@loyco.ch.

What about Medical Issues & Special Needs?

On the Enrollment Management Module (online), you will be asked to send medical documents. You will also find details and contact information for the following topics:

SPECIAL NEEDS: If you have any special needs for academic or physical adaptations, then you should send a physician’s report explaining your condition and the requirements.

ALLERGIES: EHL offers a wide variety of cuisine and uses the universal system of food allergens labels developed by the WHO to inform customers about allergens found in the F&B outlets. If you have any severe allergies, this should be indicated in your medical documents.

MEDICATIONS: If you require prescription medication, then you should arrive with at least a month’s supply. No medication is provided by EHL staff. You can contact the Medical Services team if you have questions about doctors or prescriptions.

EMERGENCY PHARMACY: The local pharmacy (ama060@amavita.ch) sells a pre-packed pharmacy kit with all the basic medications and first-aid items you might need for small ailments such as headaches, colds, stomach aches and small cuts and bruises.
Can I choose my roommate?

Yes. In the preparatory year, you have priority to live on campus in a double room, close to the main buildings for practical classes and activities. You will be able to choose your roommate (same gender) on the Enrollment Management Module (EMM) in three easy steps:

1. After you pay your down payment, you will be invited to create your web profile.

2. Meet other students either on the Facebook group for your class or using the portal to exchange messages.

3. Make your request. If you do not choose a roommate, then you will be paired up by the school according to the questionnaire you answered on the Enrollment Management Module.

Where can I find out more about my room and parking?

All of the information about rooms and parking can be found on the MyEHL portal. Once you receive your room assignment, you can find out more about the specific facilities in your building and parking may be requested through the portal. In case you still have questions:

→ Housing and parking: housing-parking@ehl.ch
What about telephones and bank accounts?

During intro week, the campus hosts a marketplace with many local service providers. You will be able to meet with bank and telephone company representatives to sign up for services. See the Campus Guide and Life in Switzerland sections for more details.

Where can I get an attestation of studies?

You can download it directly from the homepage of MyEHL.

→ my.ehl.edu
What to Pack

The following list covers many of the common items students need for daily life on campus. If you are travelling by plane, you may want to purchase heavy/bulky items here in Switzerland.

**Electronics**
- Electrical plug adapters for Swiss outlets
- Hairdryers, electric razors/clippers
- Flashlight or book light
- Phone and electronic chargers
- Portable charger
- Noise-cancelling headphones or earplugs

**Outdoor Attire**
- Warm, water-resistant coat compatible with business attire
- Non-slip boots or shoes for snow
- Umbrella

**Sports & Casual Attire**
- Indoor and outdoor sports wear
- Casual wear: jeans, t-shirts, sweats, etc. (Be respectful of EHL values)
- Comfortable sleep attire, slippers, etc.
- Evening wear for parties and going out.
- A good pair of sunglasses (it’s quite bright here!)
- Cultural souvenirs or traditional costumes for events

**Personal Items**
- Shower caddy and storage for toiletries/make-up
- Soap, shampoo etc. (May be better to purchase here)
- Bathrobe and bath sandals
- Your personal pharmacy (see enrollment module)
- Washcloths (Towels are provided for rooms on campus, but not for NeighborWood residences)

**Miscellaneous**
- Study items, notebooks, pens, highlighters, etc.
- Photos and small decorations for your room
- Laundry bag, detergent, stain remover
- Grooming: Lint brush & mini sewing kit
Arriving at EHL

You will be expected to arrive during the official registration day as indicated in your acceptance email. You will also receive newsletters from the campus with instructions for parking and registration before your start date. Please make arrangements to arrive on that day, during the opening hours.

Arriving Early
If you are coming from far away and/or have a long flight or trip to get here, then you should plan to arrive the day before and stay overnight in a hotel. A list of hotels is provided in this guide.

Arriving by Plane
The nearest airport is Geneva International Airport, but there are also flights to Bern or Zurich. To travel to the school from the airport, you will proceed to the train station located inside/next to the airport and take a train to Lausanne. Then follow the instructions for arriving by train.

It is not recommended to take a taxi from Geneva airport to the school, as it will be very expensive and the trains run frequently to Lausanne.

Arriving by Train (+Metro & Bus OR Taxi)
Take the train to Lausanne, then take the M2 (metro) to the Épalinges, Croisettes Station, then take the Bus 45 “Lausanne, Chalet-a-Gobet”. The bus ride will take approximately 20 minutes (8 stops). Please get off at the stop “Ecole Hôtelière”.

Otherwise, take a taxi from the Lausanne train station. If you have a lot of luggage, this may be easier but more expensive (around 35-50 CHF).

Arriving by Car
The campus address is: Route de Coponex 18, 1000 Lausanne 25, Switzerland. It should be easy to find using your car’s navigation system or your mobile phone, but if you get lost call +41 21 785 11 11

You will receive more details about the process for parking and registration in an email a few weeks before you arrive.

For more information about hotels and transportation, see the Life in Switzerland section of this guidebook.
During the first week on campus, which we call Intro Week, you will be in good hands. Our teams of staff and students will be here to welcome you and introduce you to the campus, so don’t stress!

When you arrive on campus, you will go through a registration process, receive your student card, and check into your room. You will also receive a schedule of events for the week, with a checklist of things you must do.

Intro Week is a very busy time with presentations about your program, internships, student services and much more, plus a campus tour. You will also be invited to ice-breaker events and have a chance to get to know your fellow students and join the sports & social committees.

Registration & Check-in
When you arrive on campus, you will go through a registration process, receive your student card, and check into your room. You will also receive a schedule of events for the week, with a checklist of things you must do.

The Marketplace: Local Service Representatives
During Intro Week, the campus hosts a market where representatives from local service providers will be present to inform you and help you sign up for:

- Bank accounts
- Swiss mobile phones
- Dry cleaning service
- Health Insurance

Orientation Activities
Intro Week is a very busy time with presentations about your program, internships, student services and much more, plus a campus tour. You will also be invited to ice-breaker events and have a chance to get to know your fellow students and join the sports & social committees.

Parents & loved ones
In order to maintain appropriate distancing measures on site as well as ongoing construction at EHL, exceptionally, only students will be admitted on campus for the first day of Intro week. Parents and loved ones will be able to participate in this special day remotely and more details will be shared in due course.

Apps

Here are some useful apps that you can download on your phone.

- **Forex**: Exchange rates between different currencies.
- **City Guide apps**: Official Swiss apps for attractions and site-seeing in Swiss cities.
- **Whatsapp**: A messaging app, most popular in Switzerland for free texts and calls.
- **Twint**: Switzerland’s digital cash app. Links to phone number and bank account or pre-pay.
- **Eat.ch**: Order food to be picked up from local restaurants and delivered to you.
- **Thefork**: Make reservations at restaurants.

Banking & Currency

In Switzerland, the currency is the Swiss Franc (CHF) and it is divided into 100 cents. It comes in bank notes of 10, 20, 50, 100, 500, and even 1000 and 2000 CHF and coins of 5, 10, 20, and 50 cents or 1, 2, and 5 CHF coins. You can change money in the airport, train stations and banks (for a fee) and in some hotels.

Most major credit and debit cards (Visa, Mastercard, Maestro, Cirrus, etc.) can be used to withdraw cash at ATMs and pay in stores. When using a card on a foreign account, you will be charged based on the daily exchange rate for Swiss Francs and you may have some charges for international transactions. Some services still accept cash only (restaurants, taxis, street vendors, etc.).

During your first week on campus, a few bank representatives will have a booth ready for your questions and concerns.
Administrative fees are collected by the Swiss authorities for people who are requesting a residence permit or visa. For example, the fee for the visa depends on the nationality and can cost anywhere from 65-120CHF. Residential registration fee is 15.00 CHF, while the fee for the residential permit is 117CHF (according to the Epalinges Commune website).

There are other communal and cantonal fees which are included in the tuition for students on campus. For students living off campus, they will receive the bills from the commune for things such as taxes for waste management, fire department, and an annual fee for access to the public radio & television networks by mail (SERAFE, the tax is CHF 30.40 per month per apartment). As a student lodging contract is for 6 months, you will have to pay 30.40 x 6, according to the contract.

Administrative Fees & Taxes

There is a tourist tax of CHF 19.- per 15 days. This will be invoiced to students whose legal address is not in Switzerland (legal obligation) for the duration of their stay on campus.
As you begin exploring Switzerland, you will make friends from the country and join social and formal occasions. The Swiss apply a set of rather easy to follow rules:

**Always greet every individual if you are joining a crowd of people for a meeting, a game etc.**

**Don’t worry if people don’t seem to get in line to wait for service in shops and public places, the Swiss understand a general order of first-come, first-serve.**

**Remember to say “please” and “thank you” and “you’re welcome” (or the French, German or Italian equivalent).**

**At the table: keep your hands above, and no elbows on the table, no talking with the mouth full, no telephone. If someone hands you a platter of food or a bottle of wine, always serve others first.**

**Always look each person in the eyes when saying a toast, in French they say “santé”**

---

**Etiquette**

**Mobile Phones**

Several Swiss telephone companies will be on campus during the first week to present their services. When choosing your mobile service provider, keep in mind:

- Unlimited 4G is useful when travelling around Switzerland and keeping in touch with your family overseas.
- Contracts usually last a minimum of a year and charge 300 CHF fee to change/cancel early.
- Possibility to purchase a SIM card separately, so you don’t have to buy a new phone.
Cost of living

Depending on spending habits, the average student will need approximately 900–1'500 CHF a month for expenses such as restaurants off campus, groceries, evenings out, entertainment, personal items and clothing. Here are a few average prices to give you an idea of expenses:

* EHL reimburses students for 30% of their 3-zone public transportation card (Mobilis) which covers your travel in the Lausanne area.

**TIPS FOR SAVING MONEY:**

- Eating out can be expensive in Switzerland, take advantage of your meal card on campus and try having simple “no-cook” dinners in your dorm with friends.
- Taxis are costly, so avoid them if possible. Often, public transportation will get you there just as fast, but you must be on time because the buses and metro leave exactly on time.*
- Take the train to France or Italy on the weekends where many things are less expensive.

---

* EHL reimburses students for 30% of their 3-zone public transportation card (Mobilis) which covers your travel in the Lausanne area.
Fun by the Lakeside
- Pathways for jogging, skating or roller-blading
- Parks for BBQ, swimming, Frisbee or rugby
- Wakeboarding and water skiing in summer
- Stand-up paddle and yoga
- Paddle boats to rent in Ouchy

Outdoor Activities
- Ice-skating at the Patinoire de Montchoisi
- Walking / hiking nearby EH and throughout the region

Indoor Activities
- Lausanne Flon: a laser tag place, a cinema showing English movies, a bowling alley, and shopping center.
- Indoor Swimming pool ‘Mon Repos’
  - Museums

TIPS FROM STUDENTS
- Be careful crossing the street. Cars should yield at marked crosswalks, but sometimes don’t.
- Ask the Student Centre for the full list of places where student discounts apply.
- Check the guide websites weekly for small events where entry is free.
- Don’t visit the city on Sundays, everything is closed.
- Check the Privilege Program discounts & Special Offers on MyEHL.
These are some student favorites where the food is good and servers speak English.

HOLY COW Fast-food style burgers & fries. Offers EHL student discount.

THE GREAT ESCAPE Burgers & draft beers. No drinking under the age of 21 rule.

INGLEWOOD Burgers & American food.

BURRITO BROTHERS Mexican food with a California vibe.

CAFÉ GRANCY Breakfast, brunch, or coffee with great eggs benedict.

BLACKBIRD Trendy brunch spot in Lausanne and usually has a small wait for a table.

ETOILE BLANCHE Brunch, Lunch & Dinner. Outdoor area is outstanding in the summer.
TIPS FROM STUDENTS

- Bakeries and restaurants are often closed one day per week, often Mondays.
- In many table-service restaurants, lunch is not served after 14:00 and dinner doesn’t start till 18:30 or 19:00 so don’t be late (or early).
- Restaurants charge a service fee, so tipping staff is not required in Switzerland.

Night Life

Lausanne has one of the best selections of bars and clubs in Switzerland. Here's a little overview of the favorites of EHL students:

MAD The MAD club is located in Flon and has been a pillar of Lausanne’s nightlife since 1985, it stretches out over five floors with multiple bars and dance floors.

D!CLUB is one of the biggest clubs of Lausanne and offers specific types of music depending on the night.

LE COMPTOIR COCKTAIL BAR has excellent reviews for special drinks and service in a cozy atmosphere.

BUZZ BAR is an EHL favorite and you will find many of your fellow students there.

JAGGERS is close to BUZZ and often attracts EHL students with sounds from the 80’s.
Students in the Preparatory Year are advised to live on campus and have priority, as do students coming from non-EU countries, to make it easier to arrive in Switzerland.

After your first internship, or if you are entering other programs, you can search for a room off campus. Keep in mind that if you are not a Swiss citizen, a current resident of Switzerland with a valid residential permit, or a citizen of a country in the European Union (EU) or from a European Free Trade Association (EFTA) member state, then you will need a Swiss Guarantor (a person in Switzerland who will vouch for your financial solvability and sign with you).

This rental agency caters specifically to EHL students with properties located near the campus: www.thehousesacrossthestreet.com
# Shopping

**IMPORTANT:** When you order items from outside of Switzerland, you will have to pay the Post (delivery person) for the VAT (a Swiss sales tax) AND the customs duty based on gross weight. This can be quite expensive, so consider using Swiss websites like these for online shopping first.

**TIPS FROM STUDENTS:**

- Most grocery stores do not give free bags. Bring your own reusable shopping bags.
- Invest in a sturdy backpack or rolling shopping bag if you are taking the bus and walking.
- Stock up on essential items when stores are open. Stores in the Canton of Vaud close early (from 18:00) on weekdays and Saturdays, and most stores are closed on Sundays.
- Alcohol and tobacco can only be purchased in certain grocery stores.
- In case of emergencies, the train station has a shop that is open from 5:30 a.m. to midnight.

Common Recyclables
Always sort these items out and place them in the bins located around campus.

- Paper & cardboard
- PET bottles
- Aluminum
- Glass items, separated by colors

Other Garbage
- Students living in EHL accommodations can deposit their trash in the bins located in common areas around campus.
- Off campus, garbage must be placed in appropriate containers. When living off campus, you must purchase special bags in Swiss grocery stores. The most common (household size) bag is 35L and costs 20 CHF for 10 bags. Attempting to use any other garbage bag or depositing trash outside of a proper recipient risks a fine of up to 300 CHF.

Other Recyclable Items
- It is very important to recycle batteries and electronics because they contain heavy metals that are bad for the environment. They are accepted at Migros in Epalinges.
- Other items such as milk bottles, lightbulbs, Nespresso capsules, metals, household items, broken dishes, wood items etc. are all recyclable.
- All items marked with the recycling sign can either be recycled at the local “Dechetterie” in Epalinges, can be disposed of in neighborhood recycling bins, or can be brought back to grocery stores (you must see which items are taken at your local store).
- Find the nearest recycling points using this website: www.swissrecycling.ch

Switzerland’s recycling policies have enabled it to hold the first position in the world’s environment performance index ranking. It may take some time to understand but you will quickly realize how good it is for your conscience and the environment.
The public transportation system in Switzerland is very reliable and extensive. You can travel anywhere in Switzerland using the bus, metro and train.

**BUSES & METRO**
- EHL reimburses students 30% of their public transportation pass (Mobilis 3 zones) for the Transportation Lausannois or "T" that operates the buses and underground train system (metro) in and around Lausanne.
- EHL has a bus stop right in front of the school, you can take this bus into the center of Epalinges, or switch to the Metro (M2) to head into Lausanne at the Epalinges Croisettes station.

**TRAINS**
- Lausanne train station is a major hub with trains connecting directly to Milan, Paris and Amsterdam leaving daily.
- Purchase your tickets at the train station, the distribution machine has instructions in English.
- Do not board a train without a ticket, there are checks.
- If you plan to use the train often, then consider purchasing a half-fare card so you pay half price on all your tickets.
- Plan ahead to get good deals on the SBB.ch website such as the Saver Day pass and the Supersaver tickets.

**TAXIS**
Taxis are highly regulated and safe in Switzerland but they are some of the most expensive in the world. Also, they are not readily available in remote areas or at certain times of day.
CARS

- Students have the opportunity to rent Mobility (car sharing) cars on campus.
- 6 parking spots with quick charge stations are available for electric cars.
- If you plan to drive on the motorway in Switzerland, then you must purchase a Swiss "Autoroute Vignette" available at gas stations for 40CHF.
- Swiss law requires cars to have winter tires during snowy weather, if you get stuck in the snow you are responsible and may be fined.
- Switzerland is very strict about the consumption of alcohol and driving (the equivalent of one drink is all that is allowed, less for new drivers and professionals). Know and respect the limits or you may face heavy consequences.

TRANSPORT APPS

- Go!: Official Swiss taxis app [www.go-app.ch](http://www.go-app.ch)
- SBB: Swiss national train service app with timetables and tickets
- TL: Lausanne transportation network app for the buses and metro
- Uber or Driven: Ride hailing services that are less expensive than taxis

TIPS FROM STUDENTS

- To get a sense of the city, try to walk it during the first few weeks.
- Lausanne is full of hills, so wear comfortable shoes and layered clothing.
- Always arrive 1-2 minutes early for public transports, the Swiss are always on time.
Traveling Around

Switzerland is a country of many different cultures and landscapes. Here are a few ideas for day trips to discover other cities and regions.

ONE DAY OUT

- Visit Bern’s old-town and see the bears, eat in one of the typically Swiss German restaurants.
- Go to Geneva and shop on the Rue du Rhone and Rue du Marche in luxury stores, or the Paquis neighborhood for retro clothing.
- Tour the vineyards in Vaud or Valais and do some wine tasting.
- Chocolate factory in Broc and medieval town of Gruyère (the famous cheese).
- Thermal baths in Lavey-les-bains.
- Boat rides to Montreux or to Evian, France.

AN OVERNIGHT TRIP

- Zurich is a fun city for shopping, eating out and nightlife.
- Find a cute little auberge with a restaurant in nearby Alsace, France.
- Go to Germany for Octoberfest or Europa Park.
- Go skiing or snowboarding in the Swiss Alps, just 30 minutes by car.
- Take a train to Milan for shopping and delicious Italian food.

DURING SCHOOL MID-TERM BREAKS

- Beach vacation: Greece, Spain, Italy or Croatia.
- Rent a chalet in the mountains with friends to ski or snowboard every day.

IMPORTANT NOTE: If you plan to leave Switzerland, please make sure that your visa is still valid or you have received your residence permit, which you should take with you.
Weather

The weather in Switzerland is a little bit of everything, we have all four seasons.

IN THE WINTER, especially where our campus is located, we see temperatures vary from a cool 13-17 degrees Celsius (°C), all the way down to freezing with icy rain and snow.

SPRING (APRIL & MAY) AND FALL (OCTOBER & NOVEMBER) bring quite a variety of rain and wind mixed with warm sunny moments, the temperature can change drastically from 5-20° in a day.

SUMMER is lovely in Switzerland with nice sunny days usually around 20-28°C, but it can get hot for a few days at a time with temperatures rising to the mid-thirties.

TIPS FROM STUDENTS

→ In the mountains and on the lakes, temperatures change rapidly. Always bring a warm sweatshirt or additional clothing if you go hiking in higher elevations or boating.
→ Pack clothing you can wear in layers so that you can put on or remove things when the temperature changes.
→ Check the weather report every morning, you may need an umbrella if rain is forecast.

Classrooms & Study Rooms

Rooms are available for study and meetings in N Building, and “Meet & Retreat” areas in M Building. Students also often work in the Food Court and Hall N outside of meal hours. The Study Rooms can be reserved using Outlook or on MyEHL, for 4 hours maximum.
Health & Medical Services

School Nurses
24/7 – M Building, underground – Tel: + 41 21 785 1222 | Email: nurse@ehl.ch

The school nurses are your first point of contact in case of any health problems. Their mission is to:
- Promote a healthy and safe environment
- Provide emergency care
- Direct you to doctors and specialists

The nurses do not provide any medication. Through them, you can order a pre-packed pharmacy kit with common over-the-counter medication for illnesses and first aid.

Team 1222 (Student First Aid Team)

Composed of students from different semesters, this team is trained by the school nurses to perform first aid and handle medical emergencies that may occur during specific events. They are of essential support to the nurses in order to maintain safety all around the campus.

EHL Security

In case of a non-life-threatening emergency outside of school hours, or to report any suspicious activities on campus, the campus security can be of assistance.

+41 21 785 1999 | securite@ehl.ch

Emergency Numbers & Phones

You can install an app containing the Swiss Emergency System numbers on your phone or save these numbers in case of a fire or life-threatening emergency. Red emergency phones are located throughout the campus, for emergency (fire/ambulance) calls.

Industry Relations Department

The Industry Relations department works closely with the Alumni department to find partnerships and new contacts in various sectors. The Industry Relations department is responsible for 2 main aspects of the student career path:

JOB PLATFORM

www.jobs.ehl.ch is where students and alumni can find job or internship offers.

- More than 5500 companies are recruiting on the platform
- Average 700+ full time positions
- Average 2 internship positions offered per student

CAREER FAIRS

- 2 Career Fairs, mid-March and mid-October
- Over 180 companies are present to recruit on campus or online
- 1-day event with the unique opportunity to meet companies face to face
- Open only to EHL Students and Alumni

Career Center

As part of the Academic Affairs Department, the Career Office carries out its mission through various services such as:

- Advising and supporting students for their compulsory internships
- Career Counselling for all current students and recent graduates
- Link between the students and the job market, in particular through the Career Fairs
- Workshops and presentations:
  - Interview preparation
  - Job Platform and Career Fairs
  - CV photo shooting with the committee

Tips From Students

- Work on your CV before you start at EHL
- Have a list of questions ready for your meetings with the internship advisor
- Do some research about hospitality departments, jobs and companies before you arrive, so you can search for an internship that suits your expectations.
We look forward to seeing you soon.
